The latest government restrictions say to “shelter in place.” In light of this change, our Church Board has changed all our Church Services to remote attendance only.

Like always, our Sunday and Wednesday meetings continue to be available on the telephone at 512-225-3443.

Our new Zoom phone number allows you to share your testimony over the phone with an easy two step process:

Step 1. Call Zoom Meeting at 346-248-7799

Step 2. Enter the meeting ID 304-412-1309 and follow the prompts. There is no participant ID.

You may also use Zoom on your computer.

Both Wednesday and Sunday services can be accessed in this manner.

We look forward to your participation as the church continues its healing mission.

Thank you for your continued prayers and support.

The Gentle Beam

April Topic:

= Filled with Truth and Love =

He shall cover thee with his feathers, and under his wings shalt thou trust: ... Psalms 91:4 (to)

Because thou hast made the Lord, which is my refuge, even the most High, thy habitation; There shall no evil befall thee, neither shall any plague come nigh thy dwelling. For he shall give his angels charge over thee, to keep thee in all thy ways. (Psalms 91:9-11)

What Our Leader Says

Beloved Christian Scientists, keep your minds so filled with Truth and Love, that sin, disease, and death cannot enter them. It is plain that nothing can be added to the mind already full. There is no door through which evil can enter, and no space for evil to fill in a mind filled with goodness. Good thoughts are an impervious armor; clad therewith you are completely shielded from the attacks of error of every sort. And not only yourselves are safe, but all whom your thoughts rest upon are thereby benefited.

The self-seeking pride of the evil thinker injures him when he would harm others. Goodness involuntarily resists evil. The evil thinker is the proud talker and doer. The right thinker abides under the shadow of the Almighty. His thoughts can only reflect peace, good will towards men, health, and holiness.

My p. 210:1-17

At a time of contagious disease, Christian Scientists endeavor to rise in consciousness to the true sense of the omnipotence of Life, Truth, and Love, and this great fact in Christian Science realized will stop a contagion.

My 116:1

“The darkest hour precedes the dawn.” S&H p. 96:11
