PRINCIPIA CLUB EARLY CHILDHOOD WORKSHOP

Join us for a playdate and workshop with Principia's Early Childhood Principal, Dorothy Halverson.

Explore how to help young children learn spiritual concepts and Bible stories. Concrete examples will be shared, and materials for making some of the activities will be provided. Childcare will be available during the 45-minute workshop; afterwards, children will be invited to make crafts, sing songs, and gather for a brief story time. The activities are geared toward 2 - 7 year olds, but older children and infants are welcome, too.

Parents, grandparents, Sunday School teachers, and friends are all invited to attend this hands-on workshop.

SUMMER CAMP FUND

This fund is open for contributions to help our Sunday School students attend a summer camp for Christian Scientists again this summer. This is our way of giving tangible support to our students for their continued growth in and application of Christian Science to their daily lives. As camp applications are now being sent out for the coming summer, we ask that you make your contributions over the next two months so we'll know how we'll be able to support our kids.
