SUMMER CAMP FUND

This fund is open for contributions to help our Sunday School students attend a summer camp for Christian Scientists again this summer. This is our way of giving tangible support to our students for their continued growth in and application of Christian Science to their daily lives. As camp applications are now being sent out for the coming summer, we ask that you make your contributions over the next few months, so we'll know how we'll be able to support our kids.

Have you read a biography of Mary Baker Eddy recently?

If you aren't ready to purchase one, we have several available in the Lending Library that you can borrow to enjoy.

Sometimes the easiest way to share Christian Science with someone is to share the story of our Leader in overcoming any of the number of obstacles she did through her reliance on God.

The Gentle Beam

March Topic:

Feed My Sheep =

Shepherd, show me how to go
O'er the hillside steep,
How to gather, how to sow,-
How to feed Thy sheep;
I will listen for Thy voice,
Lest my footsteps stray;
I will follow and rejoice
All the rugged way.

Thou wilt bind the stubborn will,
Wound the callous breast,
Make self-righteousness be still,
Break earth's stupid rest.
Strangers on a barren shore,
Lab'ring long and lone,
We would enter by the door,
And Thou know'st Thine own;

So, when day grows dark and cold,
Tear or triumph harms,
Lead Thy lambkins to the fold,
Take them in Thine arms;
Feed the hungry, heal the heart,
Till the morning's beam;
White as wool, ere they depart,
Shepherd, wash them clean.

Christian Science Hymnal, No. 304
