FUNDS NEEDED FOR INSTITUTIONAL WORK

The Christian Science Committee on Institutional Work in Texas has a greater need for fundraising this year due to recent challenges, and is asking church members across Texas if they would like to give to this important field. Their aim is to prevent drawing from their savings account to cover operating expenses. Donations by check can be made out to The Christian Science Committee on Institutional Work in Texas, and mailed to P.O. Box 1181, Haslet, TX 76052.

Offered by: Christian Science Reading Room
Austin, TX 512-472-8109

Did you know we have audio books? Articles like *God's Law of Adjustment, Healing, or Triumph of Good* and books like *The Church Manual, Miscellaneous Writings* or *Science and Health with Key to the Scriptures* range from \$10.00 to \$90.00 on CD for listening and study.

A New Reading Room space! Plans are moving forward to prepare the Northcross space for the Reading Room's use. To keep costs low, we will be doing much of the miscellaneous work ourselves with the skills of our Maintenance Committee and the help of our members. Work days will be scheduled on Saturdays in September. Many hands make the work go faster, so all who can help are encouraged to contact Bill Klenzendorf for details and schedules.

We want our space to be clean, beautiful and useful!

A big 'Thank You' to all the members who have signed up for the Reading Room! We have two people for every shift and a metaphysician for each day the Reading Room will be open. We will keep the Monday - Friday 10 am - 2 pm hours and be open the second Saturday each month from 10 am - 2 pm.

The Gentle Beam

September Topic:

The image of His love =

Eternal Mind the Potter is,
And thought th' eternal clay:
The hand that fashions is divine,
His works pass not away.

Man is the noblest work of God,
His beauty, power and grace,
Immortal; perfect as his Mind
Reflected face to face.

God could not make imperfect man
His model infinite;
Unhallowed thought He could not plan,
Love's work and Love must fit.

Life, Truth and Love the pattern make,
Christ is the perfect heir;
The clouds of sense roll back, and show
The form divinely fair.

God's will is done; His kingdom come;
The Potter's work is plain.

The longing to be good and true
Has brought the light again.

And man does stand as God's own child,
The image of His love.

Let gladness ring from every tongue,
And heaven and earth approve.
