* [May be viewed live in our Reading Room.]

The Theme for this year's Meeting:

One infinite God, good, unifies men and nations; constitutes the brotherhood of man; ends wars; fulfills the Scripture, "Love thy neighbor as thyself;" annihilates pagan and Christian idolatry, — whatever is wrong in social, civil, criminal, political, and religious codes; equalizes the sexes; annuls the curse on man, and leaves nothing that can sin, suffer, be punished or destroyed.

Science and Health with Key to the Scriptures
by Mary Baker Eddy p.340:23

From the Christian Science Board of Directors:
What is our part in this promise? Together we can explore what one infinite God, good, is doing that is transforming human experience. Our Church draws its strength and relevance from this ever-present, wholly good God. Only through the grace of our infinite God can we and our global neighbors discover the true brotherhood of man.

The Gentle Beam

June Topic:

Brood o'er us with Thy shelt'ring wing,
Neath which our spirits blend
Like brother birds, that soar and sing,
And on the same branch bend.
The arrow that doth wound the dove
Darts not from those who watch and love.

If thou the bending reed wouldst break
By thought or word unkind,
Pray that his spirit you partake,
Who loved and healed mankind:
Seek holy thoughts and heavenly strain,
That make men one in love remain.

Learn, too, that wisdom's rod is given
For faith to kiss, and know;
That greetings glorious from high heaven,
Whence joys supernal flow,
Come from that Love, divinely near,
Which chastens pride and earth-born fear,

Through God, who gave that word of might
Which swelled creation's lay:
"Let there be light, and there was light."
What chased the clouds away?
'Twas Love whose finger traced aloud
A bow of promise on the cloud.

Thou to whose power our hope we give,
Free us from human strife.
Fed by Thy love divine we live,
For Love alone is Life;
And life most sweet, as heart to heart
Speaks kindly when we meet and part.

(Christian Science Hymnal, No. 32,
words by Mary Baker Eddy)
