Camp Round-Up

For Christian Scientists who love to travel abroad

This summer has been full of travel for more people than in the past two years, evidenced by destinations (both near and far) recently visited by our own membership.

Here is a short list of lodging and guided tour travels that welcome Christian Scientists specifically. These places and organizations provide an atmosphere focused on Love and commitment to God.

Lodging

- Many Christian Science nursing facilities offer rooms for nightly rental for "rest and study" for Scientists. [Click here](#) for the list of locations of nursing facilities around the world.
- In Edinburgh, Scotland, you can find lodging at the [McNeil House](#).

Guided group travel

- [Principia Lifelong Learning](#) offers interesting global travel tours to alumni and friends of Principia.
- [Biblos Foundation](#) frequently hosts tours of the Holy Lands and other destinations with a focus on Bible study.

Sunday Service at 11 AM ~ Wednesday Testimony Meetings at Noon & 7:30 PM ~ In person and via Zoom

The Reading Room

7739 Northcross Drive, Austin, TX

School-age kids are invited to the **Scavenger Hunt** at the Reading Room available between **10 am - 1 pm every Friday in August**. Hunt takes about 20-30 minutes. Bring your friends! Must be accompanied by someone at least 16 yrs. old.

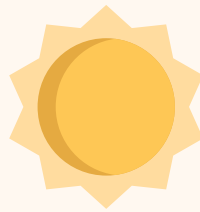

Join us for the **Bible Study** of Genesis Chapters 41-43 on **August 14th @ 7:30 pm** via Zoom.

Preparing for the new school year?

Let spiritual inspiration lead the way! Books, music, pamphlets, poetry, books on CD - it's all available in the Reading Room.

Summer Camp Round-Up Sunday Aug. 27th

The annual Camp Round-Up will take place on Sunday, August 27th after church. Pizza will be served, and anyone who wants to hear from our Sunday School students is welcome. Students will share their summer experiences at camps for Christian Scientists, and share their gratitude for the financial support our church provided for them to attend. Parents, consider preparing your children for this sharing, and even writing down a message of gratitude if your child cannot attend the Round-Up.

The Gentle Beam

Protection

O he who trusts in God's protection
And hopes in Him when fears alarm,
Is sheltered by His loving-kindness,
Delivered by His mighty arm;
If ye God's law can understand,
Ye have not builded on the sand.

O wait on Him with veneration,
Be silent in humility;
He leads you after His own counsel,
His will is done and still shall be;
All good for you His wisdom planned;
O trust in God and understand.

(Christian Science Hymnal, No. 216:1, 2)

Embraced:Fully Workshop
