The Gentle Beam

Christ Centered Christmas

So shone the pale star to the
prophet-shepherds; yet it
traversed the night, and came
where, in cradled obscurity, lay
the Bethlehem babe, the human
herald of Christ, Truth, who would
make plain to benighted
understanding the way of
salvation through Christ Jesus, till
across a night of error should
dawn the morning beams and
shine the guiding star of being.

**Science and Health with Key to
the Scriptures, Mary Baker
Eddy, p. vii:4-10**
