Discovery Bound Event

Monday, May 26th

Memorial Day

Many Thanks to all the Spring Clean-Up Volunteers!

Seventeen church members and one Sunday School student poured their love into our Spring Clean. They eagerly cleaned toys in the Children's room, updated mobiles hanging in the Sunday School, weeded and mulched the atrium, weeded the front beds, worked on decomposing tree stumps in the beds, power washed the plaza, painted the back of the LED sign, cleaned woodwork in the auditorium, changed bulbs, organized a Reader's office, sharpened pencils and sorted the free literature. Much gratitude to all involved!

Annual Meeting
of The Mother Church

MONDAY
JUNE 2
2025

As you work, the ages win; ...
Mary Baker Eddy
The First Church of Christ, Scientist, and Miscellany, p. 188

Please enjoy the following video invitation to Annual Meeting 2025 from the Christian Science Board of Directors as we start to explore this year's theme together:

[Watch video](#)

There will be a rich offering of events for all attendees leading up to Monday's Annual Meeting, including special in-person activities for youth and young adults ages 12-35 again this year. We encourage you to register whether you will be in-person or online on this form.

Join us for Saturday's activities or stay and camp with us until Sunday. **Open to all ages (children under 18 must be with an adult)** For details, see the flyers in our lobby.

The Gentle Beam

The Government is on His Shoulders

The belief that one man, as spirit, can control another man, as matter, upsets both the individuality and the Science of man, for man is image. God controls man, and God is the only Spirit. Any other control or attraction of so-called spirit is a mortal belief, which ought to be known by its fruit, — the repetition of evil.

Science and Health with Key to the Scriptures, Mary Baker Eddy, p. 73:8

Intern at The Mother Church

Looking to gain professional experience, make new friends, and deepen your understanding of Christian Science this summer? Join the team for the 2025 Summer Internship Program.
