You Are Loved Mural Event

What a wonderful turn out to our mural painting event with well-known muralist and Christian Scientist, **Alex Cook**.

The mural is on the outside back wall of our Sunday School. Sunday School students, Church attendants, and community members alike were painting and contributing to the mural. To see more pictures, [click this link!](#)

(We are still accepting donations to the Mural Fund!)

But while the best, perverted, on the mortal plane may become the worst, let us not forget that the Lord reigns, and that this earth shall some time rejoice in His supreme rule, — that the tired watchmen on the walls of Zion, and the true Christian Scientist at the foot of the mount of revelation, shall look up with shouts and thanksgiving, — that God’s law, as in divine Science, shall be finally understood; and the gospel of glad tidings bring “on earth peace, good will toward men.”

**Miscellaneous Writings 1883–1896,
Mary Baker Eddy, p. 368:26**

I pray that heaven’s messages of “on earth peace, good will toward men,” may fill your hearts and leave their loving benedictions upon your lives.

**The First Church of Christ, Scientist,
and Miscellany,
Mary Baker Eddy, p. 167:11**
