Spring Clean at Church

Eighteen members and visitors joined efforts to maintain the church and grounds on Saturday, April 11th. Cleaning off the roof, weeding and mulching beds, cleaning in the children's room and Sunday School, working on the technology equipment and area were completed and lunch enjoyed with camaraderie. Much gratitude to them all!

We will be hosting a *second* spring clean on **Saturday, May 9th** from **9am - noon**. We are needing about 5 people to help with the clean-out of the outside underground drain that starts on the east side of the church. Come in your work clothes, *ready to get muddy!*

At DiscoveryBound (DB) events you'll experience Christian Science in action! Our activities are inclusive, healing, inspiring, loving – and we can't forget – fun. Whether you attend events for families, teens, or adults, you'll be with like-minded individuals, so you can relax and be yourself.

The Mother Church will not be offering specific youth programming this year. However, we will gather together as a church family for a Sunday afternoon hymn sing and Annual Meeting on Monday. We will resume this special youth programming next year in 2027. In 2026, The Mother Church and local Fields will sponsor an all-ages Summit in Germany, 20/30-something gatherings in New York City and Los Angeles, and a College Summit in Illinois.
