Summer Employment Opportunities with CherishAbility!

Opportunities Still Open:

- **Adaptive Youth Camp Counselor.** Work directly with campers with diverse abilities in a fun, supportive camp environment. A rewarding opportunity to make a lasting difference.
- **Christian Science practitioner.** Provide spiritual care and support within our program community. We are seeking a dedicated practitioner committed to prayer and healing.
- **Facilities Job Coach** (Session 2, Week 2). Help participants develop essential workplace skills in a hands-on and uplifted setting. Your guidance will empower individuals to grow in confidence and independence.

If you — or someone you know — are drawn to our mission and have the skills to match these opportunities, we'd love to hear from you! These positions are a meaningful way to spend your summer making a real impact.

For a full description of each role or to submit an application, please visit the [Employment page](#) of our website.

Campers, tally ho! Off to CedarS they go!

This summer, campers will explore the powerful healing effect of gratitude. Like the Bible tells us, "In every thing give thanks" (1 Thess 5:18).

Thank you to all our generous donors to the Summer Camp Fund! Our campers are able to attend Christian Science camps this summer. Our church supports this experience for all of our Sunday School students who wish to have it and we could not be more grateful for such a loving church family.

Ye are the light of the world. Let your light so shine. . . . MATTHEW 5:14, 16

SUMMER SESSION at PRINCIPIA COLLEGE

Summer Session is an **8-day learning adventure** for Christian Science adults and their friends on **Principia College campus in Elsah, IL, June 13-21, 2026**. Click the [link](#) to see the pdf!

Participants will enjoy:

- More than 40 courses taught by distinguished Principia faculty and experts
- Bible/spiritually focused courses, metaphysical talks, church services, and a hymn sing
- Invigorating days filled with enrichment, entertainment, activity, and cherished friendships

Bring ye all the tithes into the storehouse, that there may be meat in mine house, and prove me now herewith, saith the LORD of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it.

Malachi 3:10

In the scientific relation of God to man, we find that whatever blesses one blesses all, as Jesus showed with the loaves and the fishes, — Spirit, not matter, being the source of supply.

Science and Health with Key to the Scriptures, Mary Baker Eddy, p. 206:15

At DiscoveryBound (DB) ([events page link](#)) you'll experience Christian Science in action! Our activities are inclusive, healing, inspiring, loving – and we can't forget – fun. Whether you attend events for families, teens, or adults, you'll be with like-minded individuals, so you can relax and be yourself.

ANNUAL MEETING OF THE MOTHER CHURCH

The Mother Church will not be offering specific youth programming this year. However, we will gather together as a church family for a Sunday afternoon hymn sing and Annual Meeting on Monday. We will resume this special youth programming next year in 2027. In 2026, The Mother Church and local Fields will sponsor an all-ages Summit in Germany, 20/30-something gatherings in New York City and Los Angeles, and a College Summit in Illinois.
