The Gentle Beam

... That while we realize the rapid growth, and welcome the fact of the spreading world wide of this great truth, that Mind, Truth, Life, and Love, as taught and expressed by our pastor, does heal the sick, and, when understood, does bring out the perfection of all things, we also realize we must use more energy and unselfish labor to establish these our Master's commands and our pastor's teachings, namely, heal the sick, and preach the gospel, and love our neighbor as ourselves."

The First Church of Christ, Scientist, and Miscellany, Mary Baker Eddy, p. 52:11 That

Come, labor on: / Away with gloomy doubts and faithless fear. / No arm so weak but may do service here; / By means the simplest can our God fulfill / His righteous will.

Come, labor on: / The toil is pleasant, the reward is sure; / Blessed are they who to the end endure; / How full their joy, how sweet their rest shall be, / O Lord, with Thee.
