Summer Camp RoundUp

We heard from the Sunday School students who attended camp this summer on the last Sunday in August! What a joyful and lovingly recollection of gratitude by all who attended. A huge *thank you* to all who financially supported all **10 campers** this year. You can read letter(s) and see pictures from Family Camp, in the Shared Members Drive [here](#).

The Leaves 60th Anniversary Gala

We are getting closer to a very special evening at **The Leaves** — *and the room is filling up!*

Nearly nine tables are already spoken for at The Leaves' **60th Anniversary Gala** on **Saturday, October 10**, which means there are now only *a limited number of seats remaining*.

For 60 years, The Leaves has been a place where Christian Science nursing and healing come together in loving service. This Gala is an opportunity to celebrate that remarkable legacy — and to look forward together to all that is still ahead. We're especially pleased to welcome **James Rosebush** as our keynote speaker.

The College Summit was designed with input from college students across the country. The idea was initiated by college students from the Principia CSO. The event will explore **the theme of: "that they all may be one" – John 17:21** and will have breakout sessions to explore Christian Science in supporting world issues, career, and life.

If you know someone who qualifies for the Mother Church's fall College Summit at Principia College, Sunnyside Foundation is happy to help pay for travel expenses and any fees associated with the Summit, please reach out to **Marcia Morris** at **SunnysideTexas.org** with any questions.

Mortals move onward towards good or evil as time glides on. If mortals are not progressive, past failures will be repeated until all wrong work is effaced or rectified. If at present satisfied with wrong-doing, we must learn to loathe it. If at present content with idleness, we must become dissatisfied with it. Remember that mankind must sooner or later, either by suffering or by Science, be convinced of the error that is to be overcome.

Science and Health with Key to the Scriptures, Mary Baker Eddy, p. 240:18
